GLENN BECK, FOUNDER

I founded Mercury One to revolutionize the world in the same way that America's space program altered our national destiny: by setting a goal and committing to reaching it, by knowing that the only limitations to achievement are those we place on ourselves, and by believing in the goodness and power of the individual. Together we can restore the human spirit to those suffering in crisis.

Over the course of 2016, Mercury One significantly increased its operations at home and around the world: Mercury One's The Nazarene Fund has directly assisted over 14,000 Christian and other persecuted religious minorities displaced by ISIS in the Middle East by evacuating them to safe havens and providing for their needs. We have provided our partners in Israel with first responder rescue "ambucycles." Our disaster relief initiatives last year have included: the Garland/Rowlett tornadoes, Southeast Texas floods, wildfires in Canada, West Virginia floods, and the catastrophic floods in Louisiana and North Carolina. Mercury One has expanded its partnership with veterans' organizations to fund educational, psychological and employment training as well as hosted celebrations to honor them for their sacrifice and dedication. In addition, Mercury One has increased its collection of historical and religious artifacts to educate the next generation of leaders. Thank you for your generosity and support of Mercury One. May God continue to bless you and your family.

SUZANNE GRISHMAN, EXECUTIVE DIRECTOR

Not a day goes by that we don't think about how integral you are to the work we do. Your donations - each and every one of them - mean so much to us and to those that we serve. We believe you deserve to know exactly how Mercury One has utilized your gifts in 2016.

Thank you for continuing to trust in Mercury One with your gift and most importantly keeping us in your prayers.

DISASTER RELIEF

In 2016 Mercury One supported relief efforts for seven disasters across the U.S. Thank you for assisting those affected by these tornadoes, floods, and fire. At times, only bottled water and hot meals were needed. In others, we provided the tools, supplies and volunteers to help people rebuild their lives.

You funded over 150 semi-tractor trailer loads of bottled water, personal care supplies, baby items, household cleaning items, food, building materials, school supplies, and mattresses totaling close to \$700,000.

EDUCATION

On August 5-7, 2016 Mercury One and Mercury Studios hosted guests for the Liars or Liberty Pop-Up Museum. The event featured thousands of artifacts from early America, World War II, pop culture, movie history and much more. This exclusive event took place at Mercury Studios, home of The Glenn Beck Radio Program and The Glenn Beck TV Program. A variety of experiences were available to fit every budget—from general admission to private tours with Glenn Beck or historian David Barton, or a special VIP night. Participants were able to view artifacts from multiple collections, including Glenn's personal memorabilia.

MERCURY ONE'S MISSION IS TO RESTORE THE HUMAN SPIRIT BY ENCOURAGING DEPENDENCE ON GOD, PROVIDING HUMANITARIAN AID, PRESERVING HERITAGE, AND EMPOWERING ALL TO STAND FOR TRUTH. WE STRIVE TO ENLIGHTEN, EQUIP, EMPOWER, AND UNIFY INDIVIDUALS AND GROUPS IN COMMON PURPOSE TO BE GOOD SAMARITANS AND HELP WHEN AND WHERE THEY FIND NEEDS. WE ARE COMMITTED TO TAKING ACTION THROUGH HUMANITARIAN AID AND EDUCATION INITIATIVES.

HUMANITARIAN

On November 11, 2016 Mercury One hosted a Veterans Day Breakfast. The exciting morning was held at the Ritz-Carlton, Dallas and included a full breakfast with a keynote speaker. This Veterans Day Breakfast marked five years of service and a celebration of our veterans who served our country.

THE NAZARENE FUND

The Nazarene Fund was one of the biggest projects Mercury One focused on in 2016, and we know there is still much more to do. At year's end, Mercury One through its partners provided direct aid and relief to over 650 families and 14,000 individuals and we were able to reunite various families that had been separated because of war and religious persecution. At the end of 2016, Mercury One had sponsored the rescue of 7 Christian women and children who had been captured and enslaved by ISIS. Each individual we met on this journey will remain in our hearts forever.
